Projects

Customer Churn Prediction

rahulsharma/customer-churn-prediction

github.com/rahulsharma/customer-churn-prediction

Developed a machine learning model to predict customer churn for a telecom company. Used classification algorithms and feature engineering techniques to improve model accuracy.

• The project aimed to identify at-risk customers and implement retention strategies to reduce churn rates.

Chatbot for Customer Support

rahulsharma/customer-churn-prediction

github.com/rahulsharma/customer-churn-prediction

Dev Patel developed an Al-powered chatbot for a customer support team, aimed at improving response times and customer satisfaction.

 Dev used natural language processing (NLP) and machine learning to build the chatbot, which could handle common customer inquiries and provide automated responses.

Education

12th

GITAM Science College

† 3/2/2015 -4/3/2017

B.Tech

St.Joseph University

4/3/2017 -2/2/2021

Summary

A highly skilled data scientist with a strong academic background and practical experience in machine learning, data analysis, and predictive modeling. Passionate about leveraging data-driven insights to drive business growth and innovation. Hobbies include playing chess, hiking, and learning new languages.

Work Experience

Data Scientist

Data Insights Pvt. Ltd.

http://localhost:3000/github.com/rahul-cloud-migration

 4/4/2021-2/1/2023

Remote

 Led data analysis projects, developed predictive models, and provided actionable insights for business decision-making. Utilized Python, R, and SQL for data manipulation, analysis, and visualization.

Data Analyst Intern

Tech Solutions Inc. (Internship)

http://localhost:3000/github.com/rahul-cloud-migration

芦 28/2/2023-2/2/2024

Remote

 Conducted data cleaning, performed exploratory data analysis, and created data visualizations. Assisted in building machine learning models for predictive analytics.

Achievements

- 1. First Prize in National Coding Competition (2017)
- 2. Gold Medalist for Academic Excellence (2018)

Hobby

Pottery or ceramics, Running, Writing
